Standard of Care Questions	(Tag #) Surveyor Notes / Deficiency Description <i>Agency Personnel are to be QUOTED on their responses.</i>	MET	NOT MET	NA
<p><b>What State agency</b> do you report to if you suspect Abuse, Neglect and/or Exploitation?</p> <p><i><b>Surveyor Instruction:</b> DSP must be able to identify DHI or DHI/IMB as the agency where ANE is reported. If they do not know the name of the State agency, they can also show the surveyor the ANE card, poster, or another document which contains the 1-800-445-6242, including their cell phone. This will be met, if they can identify DHI or show the 1-800 #.</i></p>	Tag #1A22 (CoP)			
<p>Can you give one <b>example</b> of each of the following?</p> <p><input type="checkbox"/> Abuse <input type="checkbox"/> Neglect <input type="checkbox"/> Exploitation</p> <p><i><b>Surveyor Instruction:</b> DSP only need to give one example of each for this to be met. If DSP is unable to give an example this cannot be met.</i></p>	Tag #1A22 (CoP)			
<b>Training Competencies</b>				
<p><b>Were you provided with Individual Specific Training for the Individual you are supporting? Please describe the types of training you received.</b></p> <p><i><b>Surveyor Instruction:</b> Individuals shall receive services from competent and qualified Provider Agency personnel who must successfully complete IST requirements in accordance with the specifications described in the ISP of each person supported. IST includes training on the ISP Desired Outcomes, Action Plans, Teaching and Support Strategies, and information about the person's preferences regarding privacy, communication style, and routines. This is met, if DSP can indicate they have been trained on the ISP, outcomes, action plans, TSS and / or other Individualized plans.</i></p>	Tag #1A37(CoP)			
<p><b>1. Does the individual have a Positive Behavioral Supports Plan (PBSP)? If YES, have you been trained on the PBSP?</b></p> <p><b>2. If yes, what does the plan cover?</b></p> <p><i><b>Surveyor Instruction:</b> Ensure DSP have knowledge of the plan. DSP do not have to cover every aspect of the plan for this to be met. DSP may refer to electronic or hard copy files for this information. This would not be met if: DSP has not been trained, or is not aware of the plan.</i></p>	Tag #1A22 (CoP)
