Please print or type responses since an incomplete or difficult to read application may delay the process. Send the ORIGINAL signed page of the application. Photocopies of signature pages cannot be accepted. Send all required items in one packet.

This form should be completed by you and a medical provider who has a physician-patient relationship with you.

Keep a copy of everything you send, including a copy of your New Mexico ID, for your records.

Remember to send annual certification or renewal applications at least 30 days before annual certification or expiration date to remain enrolled in the Medical Cannabis Program.
