Allison Treloar
Director, OQSSEP
Scientific Laboratory Division
1101 Camino de salud, NE
Albuquerque, NM 87102

Dear Ms. Treloar:

I have received a satisfactory written response for all noted deviations to the FDA/LPET NCIMS triennial on-site State Central Milk Laboratory evaluation of the New Mexico state central milk laboratory (IMS ID 35-A-00005) conducted May 21-22, 2019. In conclusion of the evaluation, the laboratory is granted full accreditation for the following procedures: 2a, 9(C10, C12, C13, C15, C16, C17, D3), 12, 16e, 21a, 22, 24a/c/d, 25, and 28b. The next triennial on-site evaluation is due by May 31, 2022.

Sincerely,

A handwritten signature in cursive script, appearing to read "C. Chrysogelos".

Christina Chrysogelos
Consumer Safety Officer, LPET, FDA
