Transdisciplinary Evaluation and Support Clinic:

The Transdisciplinary Evaluation and Support Clinic (TEASC) offers in-home and clinic-based consultation to adults who have intellectual/developmental disabilities and complex medical, mental health, and support system needs. The TEASC team includes family practice providers, psychiatrists, experts in social services and health care systems, and a clinical social worker. TEASC assistance does not replace the direct care provided by the client's primary care doctor, psychiatrist, therapist, interdisciplinary team, or other care givers. TEASC may be contacted at 505-272-5158.
