<td>The Resident Engagement and Life Enrichment Project</td>
<td>NM-0719-FBMC-366</td>
<td>03/05/20 to 03/05/21</td>
<td>$77,547.00</td>
<td></td>
<td>The project aims to improve residents’ quality of life the iN2L technology. iN2L offers a variety of person-centered activities that address the needs and strengths of the individual while providing communication opportunities to stay connected to their families, friends, and the community at large. The recreational and motivational activities (RMAs) provided by iN2L will assist staff in identifying each resident’s preferences and interests. By creating personalized activity content pages and digital life stories, the applicant intends to enhance their resident/staff interactions, which could result in an improvement of the residents’ overall quality of life.</td>

| **Total Amount of CMP Funds Approved for this Project:** $600.00  
**Total Amount of CMP Funds Expended During CY 2020 for this Project:** $600.00  
**Project Summary:** The facility aims to provide their residents with 10 “breathable companion pets,” which are designed to reduce agitation and other negative behaviors. The toy pets will first be distributed to interested residents who have moderate to severe cognitive losses and low activity levels.  
**Funded Entity(ies):** Genesis San Juan Center | | | Project Title: Fundamentals of Infection Prevention for Long Term Care Facilities in New Mexico  
**Unique Identifier:** NM-1119-ICCNM-484  
**Project Duration:** 01/01/2020-11/30/2020  
**Total Amount of CMP Funds Approved for this Project:** $120,035.00  
**Total Amount of CMP Funds Expended During CY 2020 for this Project:** $120,035.00  
**Project Summary:** The Fundamentals in Infection Control for LTC training was presented as a live webinar series held over three consecutive days in October 13, 14, 15, 2020. The live webinar allowed participants to ask questions in real-time and participate in discussions. The use of polling and chat features within the webinar platform also supported group interactions. There was a total of 52 people completed the training with the number of people registered was 69. Overall attendance was lower than originally anticipated, there were numerous cancellations, and the management of COVID-19 outbreaks by facilities may have contributed.  
**Funded Entity(ies):** Infection Control Consultants of New Mexico, LLC | | | Project Title: A Good Night's Sleep
