Training Readiness

Register your agency as an agency in the DDSD Training Hub.

- If your agency is not already registered with the Hub, you will need to provide them with the following information via phone (505) 272-6220 or email (CDD-NMWaiberTrainingHub@salud.unm.edu):
  - Agency Name
  - Address
  - Contact Information for Agency Director (telephone, fax, email)
  - Contact Information for “Agency Admin” (see below) if different
  - Which Waiver(s) your agency is providing services for
  - What services your agency provides

- If your agency is already providing services under another Medicaid Waiver, contact the Hub to let them know that you are now providing services under the Supports Waiver as well.

Designate one person as the primary contact for your agency.

You will need to designate one person as the primary contact for your agency. This person is called the “Agency Admin” in the Hub. This is the person who will be responsible for entering information on your agency’s personnel on the Hub. This person should:

- Contact the Training Hub Project Manager by phone at (505) 272-6220 or email (CDD-NMWaiberTrainingHub@salud.unm.edu) once you have completed the DDSD Training Hub - Tutorials to receive your agency log in and password.

- Review the required Supports Waiver trainings in the Support Waiver Standards and schedule accordingly. Please be sure you follow timelines prior to working with individuals.
**FMA**

**For Community Support Coordinator Agencies**

- Schedule Agency Training with Fiscal Management Agency (Conduent) by calling 866-916-0310.

- Receive your assigned FMA Liaison and contact information from Conduent.

- Based on Conduent direction process the FOCOS Authorization Account Authorization for Agency Administrative Employees and Community Support Coordinators.

- Download and review the FOCOS online CSC Training Manual from the FOCOS system.

**TPA**

**For Community Support Coordinator Agencies**

- Schedule Agency Training with Third Party Administrator (Comagine) by e-mailing NMproviders@qualishealth.org.

- Register Agency with Comagine Health for Support Waiver Services. If you are an existing agency with access to JIVA please be aware that you need to register for the Supports Waiver. [http://www.qualishealth.org/healthcare-professionals/new-mexico-medicaid/provider-resources](http://www.qualishealth.org/healthcare-professionals/new-mexico-medicaid/provider-resources)

- Complete the appropriate registration forms and submit to: NMProviders@qualishealth.org, [http://www.qualishealth.org/healthcare-professionals/new-mexico-medicaid](http://www.qualishealth.org/healthcare-professionals/new-mexico-medicaid)

- TPA will contact the agency for enrollment for a training and Jiva access.
Therap

For Community Support Coordinator Agencies

Please note that information regarding Therap will be given out at the provider readiness meeting and through the notes of that meeting.

- For new agencies register for Therap by contacting the SW Program Manager.
- For existing CM agencies SW will be added to your existing profiles.
- For existing agencies who are using Therap S Comm only you will need to register through the new agency process.
