Supports Waiver

- The Supports Waiver is a Home and Community Based Waiver that was created to support individuals who are on the DD Waiver Waitlist.

- Individuals will keep their place on the DD Waiver Waitlist while they access the Supports Waiver.

- 1,000 Supports Waiver offers were distributed on August 14, 2020.
Supports Waiver

- There are ten Supports Waiver Services to mix and match within an annual $10,000 budget per participant:

  ✓ Assistive Technology
  ✓ Behavior Support Consultation
  ✓ Customized Community Supports – Group
  ✓ Customized Community Supports – Individual
  ✓ Supported Employment
  ✓ Environmental Modifications
  ✓ Personal Care Services
  ✓ Non-Medical Transportation
  ✓ Respite
  ✓ Vehicle Modifications
Customized Community Supports - Individual

- Customized Community Supports consist of individualized services and support that enable an individual to acquire, maintain, and improve opportunities for independence, community membership, and inclusion.

- Customized Community Supports services are designed around the preferences and choices of each individual and offers skill training and supports to include: adaptive skill development, adult educational supports, citizenship skills, communication, social skills, socially appropriate behaviors, self-advocacy, informed choice, community inclusion, arrangement of transportation, and relationship building.

- Provided 1:1
Customized Community Supports - Group

- Customized Community Supports Group (CCS-G) can include participation in congregate community day programs and centers that offer functional meaningful activities that assist with acquisition, retention, or improvement in self-help, socialization and adaptive skills for an eligible recipient. Customized Community Supports Group may include adult day habilitation.

- Customized Community Supports Groups are provided in community, to the fullest extent possible and may also be provided in day program facilities and centers, as necessary.

- Staffing Ratio not to exceed 1:6
Supported Employment

- Supported Employment offers one-to-one support to individuals placed in inclusive jobs or self-employment in the community and support is provided at the worksite as needed for the individual to learn and perform the tasks associated with the job in the workplace with the goal of obtaining and maintaining competitive employment at or above minimum wage.

- The service encourages development of natural supports in the workplace to decrease the reliance of paid supports. Supported Employment includes job development and job coaching and is available for participants age 16 and older.

- Supports are provided at the work site for the individual to learn and perform the job specific to the Supports Waiver participants disability and not part of the job-training for the general public.
Non-Medical Transportation

- Non-Medical Transportation services are offered in order to enable participants to gain access to waiver and other community services, activities and resources, as specified by the ISP.
- Transportation services under Supports Waiver are non-medical in nature, whereas transportation services provided under the Medicaid state plan are to transport participants to medically necessary physical and behavioral health services.
Non-Medical Transportation

Non-Medical Transportation provided and reimbursed as follows:

• 1. **Agency-Based** - Participants purchase public or private transportation or reimbursement for mileage through a provider agency that acts as a purchasing agent. When the provider acts as a purchasing agent the approved budget must be inclusive of 10. The agency purchases the items directly. The purchasing agency does not reimburse for prior purchases or prior mileage accrued.

• 2. **Participant-Directed** - Participants purchase public or private transportation or reimbursement for mileage through a provider selected by the participant or through an individual transportation vendor.

• 3. Public and private transportation includes private and public tickets or passes to local transportation systems and ride share systems.
Supports Waiver Standards

Training Questions in the ISP

Q10. Do you need your Personal Care Direct Support Personnel to have training on wheelchair tie downs, lifting, and transferring, meal preparations, or housekeeping skills? Please specify the trainings needed.

Reference required Personal Care Training. If the answer is yes to wheelchair tie downs and lifting and transferring then the Direct Support Personnel must take the wheelchair tie down and lifting and transferring training. Note that person specific training and training needed for the safe operation of equipment differs and is the responsibility of the agency or EOR.

If the answer is yes to meal preparations or housekeeping skills consider this in the health and safety section.

Q11. What else do you need your Personal Care employees to know about you?

Reference this section for additional individual specific training. What additional training does the participant want or need. REMEMBER that the Supports Waiver Participant can request that their employees be trained on anything that is important to them or that is needed for their health and safety.
