Why is the work important?
Healthy eating and physical activity are two main lifestyle behaviors that can help prevent obesity and reduce the burden of chronic disease. Our HKHC strategies are crucial to making sustainable policy, systems, and environmental changes to support healthy eating and physical activity in Curry County.

Key Success of HKHC Curry County:
Applied for and received the USDA HealthierUS Schools Challenge for all 11 Clovis Elementary schools, bringing in $5,500 and national recognition for healthy practices.

Key Partners: Road Runner Food Bank, Habitat for Humanity, Agricultural Extension, Farmers Insurance, Albertsons, Clovis Chamber of Commerce, Leadership Clovis

Why does HKHC Curry County do?
HKHC Curry County focuses on three broad areas: schools, the food system, and the built environment. Key priorities are:

### Schools
- 521O and Eat Smart to Play Hard healthy eating and physical activity initiatives
- Cooking and nutrition classes
- Hoop houses at Grady and Texico

### Food System
- Produce to the People – free produce 3rd Monday of every month
- Supporting and expanding Clovis Community Garden

### Built Environment
- Provide support for new trail/active transportation developments
- Promote parks and playgrounds

How can you get involved?
- Attend a HKHC Curry County coalition meeting
- Volunteer
- Donate
- Join a school, food system, or built environment work group
- Attend a civic group or local town hall meeting to advocate for healthy eating and active living
