

INTERAGENCY COORDINATING COUNCIL (ICC) June 2013 Meeting Highlights

- ❖ Welcomed DOH Secretary Retta Ward to the ICC meeting.
- ❖ Learned about the successes and challenges of providing early intervention services from the New Mexico School for the Blind and Visually Impaired (NMSBVI).
- ❖ Recommended Kathey Phoenix-Doyle for appointment as an ICC provider representative.
- ❖ Recommended that the DOH defer implementation of the 50% requirement for FY14 to provide time for discussion and for the ICC to make recommendations.
- ❖ Learned about the successes and challenges of providing early intervention services from the ICC Service Provider Panel.
- ❖ Recommended that the DOH approve programs to conduct the CME, complete the IFSP, and start early intervention services for children if the programs have used and continue to use due diligence to obtain the children's medical records.
- ❖ Recommended that the ICC Finance Committee prepare legislation, consider developing a three year funding plan for the FIT Program and obtain ICC input on a funding plan.
- ❖ Discussed work being accomplished by the ICC Committees: Finance & Funding, Forms & Process Review, Interagency Coordination, Qualified Statewide Workforce and Quality.
- ❖ Recommended that the DOH include a cost of living increase or a rate increase in the budget request to the Legislature and the Executive for FY14.
- ❖ Recommended that the ICC Forms and Process Review Committee work with the FIT Program to implement a pilot of the draft revised IFSP form.
- ❖ Recommended that the FIT Program move forward with the ICC Issue Paper on Consultation with input from Medicaid.
- ❖ Recommended that an ICC ad hoc committee be formed to review the proposed Race to the Top implementation and give direction to the FIT Program on the FIT funding request.
