

## Policy and Quality Subcommittee Meeting Summary

April 7, 2021

10am-1pm

The entirety of the Policy and Quality Subcommittee was used to review and offer feedback on the Advocacy in Action training. Teresa Tomashot, Training Unit Manager, facilitated review of the training. This is an eLearning training that included a lot of self-advocate participation and video creation used in the development of the training. There was a feedback form provided to meeting participants to track recommendations. Attendees will provide final feedback by 4/20/21.

The draft training is located at this test site: <https://www.cdd.unm.edu/other-disability-programs/disability-health-policy/ddsd-courses/advocacy-in-action.html>
