Centennial Care MCO Enrollment

If you did not enroll in a Centennial Care Managed Care Organization (MCO) by December 2, 2013, Human Services Department auto-enrolled you in one of the four MCO's. However, after you pick or are assigned to an MCO, you have 90 days to choose another MCO. This is the open enrollment period, from January 1, 2014-March 31, 2014. For more information, please contact Human Services Department at 1-888-997-2583. It is important to note that participants on the ICF/IID (DD & MF) Mi Via Waiver will continue to receive their waiver services through the Mi Via Waiver but will receive all acute and ancillary services through their Centennial Care MCO.

When an Employee May Begin Working

Remember, employees cannot begin working until the Employer has been notified by Xerox that the employee has passed their COR Background Check and may begin working as approved on the Participant's Plan and according to the Participant's Mi Via Waiver Eligibility. Xerox also recommends calling the Mi Via Help Desk at 1-866-916-0310 to verify that all other required employee enrollment paperwork has been received and that the employee is set up to receive payments.

Using Mi Via Checks

When you take a check to a store (such as Wal-Mart or Office Max) to purchase approved items:

- Encourage the cashier or store supervisor/manager to process the check as a paper check and not an electronic check.
- If he or she is unwilling to process the check as a paper check, encourage him/her to hand key the check into the TeleCheck system.
- The first set of numbers on the bottom of the check (reading left to right) is the check number, the second set of numbers is the routing number, and the third set of numbers is the account number.
- If the cashier or store supervisor/manager has any questions or if there is a problem with the check, please call Xerox at 1-866-916-0310 so Xerox can help him or her with processing the check.

The amount of the check cannot be altered in any way. Altering a check issued by Xerox may be considered Medicaid fraud and is potential grounds for termination from the Mi Via program and will delay the process of obtaining approved items.

FOCo**Online** Training

You can now take the **FOCo**Online**** training on your own, at any time, from the Mi Via website home page at <http://mivianm.org>. A list of frequently asked questions and a training manual is also included.

If you are an employer, please take the Employer training Parts I & II. If you are an employee, you only need to take the Employee training.

Please complete the quiz at the end of the training to help you review the information. You will receive a **FOCo**Online**** Account Authorization form, once the training is completed. You will need to complete this in order to login to **FOCo**Online****.

Please note, for employees, your Employer must also have access to **FOCo**Online**** so they can approve your timesheet.
