## DDSD Know Your Rights Campaign

Mi Via Participants should have received information from their Consultants regarding the Know Your Rights Campaign and the Centers for Medicare & Medicaid (CMS) Final Rule. Information about this Campaign is posted on the Mi Via website <https://nmhealth.org/about/ddsd/pgsv/sdw>. The main purpose of this new rule is to make sure Participants continue to exercise their right to be part of the community where they live and work. This Rule says Mi Via Participants can choose where they live, who they live with, how they live, who helps them, how they spend their days, and who they spend their days with.

The Developmental Disabilities Supports Division (DDSD) will be working with Participants and vendors to assure Mi Via is in full compliance with this Rule by March 17, 2022. As DDSD works towards compliance, Participants will not lose services they are receiving now, but they may be offered a change in setting. **The UNM/Center for Development and Disabilities will be contacting some Participants to talk about their services as part of this process.**
