

EOR Corner

An Employer of Record (EOR) has an important role in making sure employees and vendors are paid for the services they provide to Mi Via participants.

EORs must:

- Approve and send employee timesheets, mileage reimbursement requests, and Payment Request Forms (PRFs) on time.
- This means **within ninety (90) days of the date of service**.

Please remember that billings sent past ninety (90) days from the date of service **will not be paid**. A Return-to-Participant (RTP) notice will be issued for billing that needs to be corrected. Corrected billing may be sent in within ninety (90) days of the RTP notice.

CMS Final Rule Extension

Jennifer Rodriguez, Department of Health (DOH) Community Programs Bureau Chief

On July 14, 2020, the Centers for Medicare and Medicaid Services (CMS) sent guidance to state Medicaid agencies letting them know that CMS extended the deadline for ensuring compliance with the Home and Community-Based Services (HCBS) Settings Regulation. This is in response to the COVID-19 pandemic.

CMS recognizes that states have faced challenges and delays to implement activities, and that services and community integration approaches have been disrupted.

Due to these challenges, CMS extended the deadline for this regulation to March 17, 2023. CMS is committed to continuing its work with states, advocates, and other stakeholders to improve HCBS options.

In Home Assessment (IHA) Update

To support the health and safety of Mi Via Participants during the Public Health Emergency, the State of New Mexico is working on a plan to do In-Home Assessments using a computer/laptop/tablet or mobile device with a front-facing camera. A mobile device can be a smartphone. Instead of the In-Home Assessor going to the Participant's home to do the assessment, the Assessor will be able to do the assessment using the computer or a mobile device. This is also called a "virtual visit". Once the State approves the plan for virtual assessments, the person who does the assessment will call you to make an appointment. Please help make sure the Participant's contact information is up to date with Comagine Health. The State will let Participants know when the virtual visits will start. At this time the State is planning to start making calls in August.
