

Update: Electronic Visit Verification (EVV)

The State will start EVV for the Mi Via program on January 1, 2021. The New Mexico Medicaid EVV system is called AuthentiCare® and is owned and run by the company Fiserv. Access to the AuthentiCare® system will be provided at no cost to the Employer of Record (EOR), provider agencies, and employees. The EVV system lets direct care workers (employees and providers) to clock in and clock out as required by federal law. This information is used to confirm that participants are receiving their services in the right place and right time. EVV will be used for the following Mi Via services:

- Homemaker/Direct Support
- Respite Standard
- In-home Living Supports

From January 1, 2021 to March 31, 2021, clock in and clock out will occur only through dialing into the AuthentiCare® phone system from the participant's landline or other telephone. After April 1, 2021, access to AuthentiCare® will be available through an "app" on your cell phone or tablet or computer.

Training on how to use the AuthentiCare® system will be provided soon. Trainings will be scheduled to begin in December. Training dates and instructions for both EOR's and provider agencies will be sent out soon. Please be on the lookout for this information.

DDSD Outreach to Mi Via Participants

Jennifer Rodriguez, Department of Health (DOH) Community Programs Bureau Chief

On November 2, 2020 DDSD staff started to call Mi Via participants to check in on their health and safety and provide additional support during COVID-19. DDSD staff reach out 1-2 times per month and talk to Mi Via participants, guardians, family members and/or employer of records. We ask questions about the participant's health, doctor appointments, Service and Support Plan (SSP), budget and other needs the participant may have. So far, it has been well-received and has been a great way for DDSD to get to know the individuals we serve.

Mi Via Resources Available for Emergent Health Issues

Jennifer Rodriguez, Department of Health (DOH) Community Programs Bureau Chief

Mi Via participants and consultants are being asked to contact their regional DDSO Office if they are running into emergent health issues and need additional help and support. To find your local office please visit: <https://www.nmhealth.org/about/ddsd/region/>

Please use your resources!

Reminder: In-Home Assessment (IHA)

Effective August 3, 2020, Goodwill Incorporated New Mexico (GINM) began contacting Mi Via Participants to schedule their In-Home Assessment. The person who does the In-Home Assessment will not be going into the Participant's home. Instead the Assessor will be doing the assessment using a computer or a mobile device. This is also called a "virtual visit". If the Participant is not able to take part in the virtual visit because of poor internet connection or other computer and mobile device issues, the assessment will be re-scheduled when the Public Health Order is over. Please respond to these calls from GINM. Completing the assessment is still required for the Mi Via program.

Happy Holidays
