

MICHELLE LUJAN GRISHAM
Governor

DAVID R. SCRASE, M.D.
Acting Cabinet Secretary

February 2022

To: New Mexico Public and Private School Superintendents, Charter School Administrators, School Principals, School Nurses, and Vaccines for Children (VFC) Providers

Re: New Mexico 2022-2023 School Entry Immunization Requirements

Each year the Vaccine Advisory Committee (VAC) meets to discuss New Mexico School Entry Immunization Requirements. Any changes are thoughtfully discussed and voted on by a group of appointed, experienced immunization professionals. These changes are based on Centers for Disease Control and Prevention (CDC) and Advisory Committee on Immunization Practices (ACIP) annual recommendations. The VAC makes recommendations, and the Cabinet Secretary makes final decisions which the Public Health Division supervises.

The schedule continues to incorporate changes related to the grade phasing-in process for required vaccinations. This year, the Meningococcal vaccine requirement will roll up to 7th through 10th grade entry.

Two doses of Hepatitis A vaccine will now be required, rolled up to K-1st grade

At this time, HPV vaccine is not required for 7th grade entry, but will continue to be strongly recommended as part of the adolescent platform as is considered best practice.

Other changes in immunization requirements for the 2022-2023 school year are otherwise minor and are listed in the column to the left.

Acceptable forms of proof of immunization status includes a NMSIIS printout, printout from provider's Electronic Medical Record or immunization record card.

NOTE: School vaccine requirements are still in force if students are enrolled in online studies, home schooling or other adaptations due to COVID-19. Thank you for keeping New Mexico's children safe from vaccine-preventable diseases.

Acting Cabinet Secretary

- *NMSA 1978, § 24-5-2 makes it unlawful for any student to enroll in school unless the student is immunized, or otherwise properly exempted.*
- *NMSA 1978, § 24-5-4, 7.5.2.8 NMAC and 6.12.2.8(F) NMAC authorize and require each school superintendent to prepare a record showing the immunization status of every child enrolled or attending a school under his or her jurisdiction.*
- *Additionally, 6.12.2.8 NMAC requires that schools start disenrollment proceedings for students who are unable to provide satisfactory evidence of commencement or completion of immunization or an exemption from immunization.*
- *Section 6.12.2.8 NMAC and NMSA 1978, § 24-5-4 also stipulate that parents or guardians who neglect or refuse to permit their child to be immunized against diseases as required by law shall be reported by the school superintendent to the director of the public health division.*

Pursuant to the McKinney-Vento Homeless Assistant Act [42 USC§ 11432(g)(3)(C)], children experiencing homelessness must be able to enroll in school immediately, even if they are unable to produce immunization records. If the child needs to obtain immunizations, or immunization records, the enrolling school must immediately refer the parent or guardian to the designated local educational agency (LEA) homeless education liaison for assistance.

Revisions and Additions 2022-23

Men (ACWY)

One dose required for 7th - 10th grade.

Varicella

K-7th grade, Proof of Immunity: receipt of vaccine; titer; or laboratory-confirmed diagnosis of prior disease. For **all newly diagnosed Varicella cases**, laboratory confirmation of disease is required.

Hepatitis A

Two doses required for K - 1st grade

Referral to CDC Immunization Schedule for exceptions and questions

School nurses with questions that are not addressed by the NM School Requirements, should consult the footnotes of the CDC childhood and adolescent IZ schedule
