B. BACKGROUND INFORMATION

PUBLIC HEALTH DIVISION MISSION
Among those 15-17 years, suicide was the leading cause of death by age group, tied with unintentional injuries. Among those 5-14 and 18-34 years, suicide was the second leading cause of death by age group, and among those 35-44 years, it was the third leading cause. Suicide rates have been increasing in New Mexico and the U.S. over the past decade. New Mexico’s rate has consistently been more than 50% higher than the U.S. rate. New Mexico suicide rates increased by 37% from 2009-2018. Suicide is associated with having a mental illness and/or substance use diagnosis, psychosocial trauma or conflict, recent loss, family history of suicide and personal history of suicide attempt. Most suicides have multiple precipitating conditions such as depression, intimate partner problems, physical health conditions, financial challenges and legal problems. Comprehensive strategies incorporating all levels of government, healthcare providers, schools, community-based organizations, and community members can prevent suicides (NM DOH Suicide Fact Sheet).

According to the YRRS 2018, the prevalence of youth who felt sad or hopeless almost every day for two weeks or more in the past 12 months was lower for youth from Rural counties (28.6%) compared to those from Metropolitan (33.2%) or Small Metro counties (34.1%).

The rate of hospitalizations for mental disorders for youth ages 12-17 showed a downward trend from 2009 to 2013 (115.8/10,000 population and 50.2/10,000, respectively) and then rose dramatically, leveling off at 136.8/10,000 population in 2016.

The rate of hospitalizations for mental disorders for both male and female youth ages 12-17 decreased from 2009 to 2013 (114.5/10,000 population and 43.1/10,000, respectively, for males; 117.2/10,000 and 57.5/10,000 for females). For both sexes, the rate of hospitalization rose sharply after 2013, with male youth rates more than doubling by 2016 to 109.9/10,000 population and female youth rates almost tripling for a 10-year high of 164.8/10,000 population.

The thirteenth edition of the New Mexico Department of Health report on health equity is intended to provide relevant and timely information regarding the health status of the various population groups in our state to help inform, educate, and empower readers on equity issues. It is also intended to be a tool for community, state, and travel partners and policymakers to use in the design and implementation of effective strategies to decrease health disparities and improve health outcomes for all people in New Mexico. Achieving equity and health outcomes depends upon the shared understanding of health disparities among different populations in the factors that create those disparities. Health disparities refer to preventable differences in the quality of health and health care that exist among specific population groups do choose to systemic inequalities in the social and economic conditions in which people live and work. Health disparities occur across many dimensions, including: Socio economic status, race/ethnicity, age, gender, sexual orientation, disability status, primary language, and location. A majority of New Mexico residence over 60% identify as a person of color and or American Indian/American Alaskan native. According to 2017 US Census Bureau estimates, 2,088,070 people live in New Mexico. Of these, 48.8% self-identify as Hispanic, 37.4% as non-Hispanic white, 9.6% as American Indian/Alaska native, 2.1% is black/African-American, 1.4% as Asian, 0.1% as native Hawaiian pacific islander, 7.7% as “other race quote, and 3.3% as two or more races. Almost 25% of the population lives in a rural area, 15.7% are living with a disability, 35.4% of the state’s population age five and over speaks the language other than English at home, and 19.7% of the population lives below the poverty level. Additionally, 3.9% of New Mexico adults and 11.6% of high school youth identify as a lesbian, gay, or bisexual; 0.7% of adults I did
why is transgender or gender diverse; and 6.3% of high school youth identify as transgender, gender queer, gender fluid or unsure of their gender identity. An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The Agency personnel will not merge, collate, or assemble proposal materials.

8. **Disclosure of Proposal Contents**

A. Proposals will be kept confidential until negotiations and the award are completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:
B. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.

C. Confidential data is restricted to:
   1. confidential financial information concerning the Offeror’s organization;
   2. and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.
   3. PLEASE NOTE: The price of products offered, or the cost of services proposed shall not be designated as proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the Agency shall examine the Offeror’s request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror’s services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be effected by sending written notice to the contractor. The Agency’s decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror’s concerns must be promptly submitted in writing to the attention of the Procurement Manager.

14. Basis for Proposal

Only information supplied, in writing, by the Agency through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.
15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Sample Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror’s proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose specific alternative language. The Agency may or may not accept the alternative language. General references to the Offeror’s terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Agency and will result in disqualification of the Offeror’s proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an explicit agreement by the Offeror that the contractual terms and conditions contained herein are accepted by the Offeror.

16. Offeror’s Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. Please see Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror’s proposal.

18. Offeror Qualifications
The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

A. The Agency shall pay to the Contractor in full payment for services satisfactorily performed based upon deliverables, such compensation not to exceed $xx, including gross receipts tax if applicable. The total amount payable to the Contractor under this agreement shall not exceed $xx.

This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the Agency when the services provided under this agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this agreement being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the GSD/CRB. All invoices MUST BE received by the Agency no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered or within fifteen (15) days after the last day of the month in which services were performed; or, for deliverable based agreements, unless submitted within fifteen (15) days after the last day of the month during with a deliverable was completed. Invoices received after such date WILL NOT BE PAID. Invoices shall be submitted monthly. For deliverable based agreements, payment shall be made upon acceptance of each completed deliverable and upon the receipt and acceptance of a detailed, certified payment Invoice. The Contractor shall submit to the Agency at the close of each month a signed invoice reflecting the total allowable costs incurred during the preceding month; or for deliverable based agreements, at the close of each month during which a deliverable was completed a signed invoice reflecting the total allowable costs incurred during completion of the deliverable.

If the Agency finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services and outlining steps the Contractor may take to provide remedial action. Upon certification by the Agency that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the agency shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.
2. **Term.**

   THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This agreement shall terminate on **June 30, 2026** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no agreement term for a professional services agreement, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

3. **Termination.**

   A. **Grounds.** The Agency may terminate this agreement for convenience or cause. The Contractor may only terminate this agreement based upon the Agency’s uncured, material breach of this agreement.

   B. **Notice; Agency Opportunity to Cure.**

      1. Except as otherwise provided in Paragraph (4)(B)(3), the Agency shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

      2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency’s material breaches of this agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor’s notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

      3. Notwithstanding the foregoing, this agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Agency; (ii) if, during the term of this agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the agreement is terminated pursuant to Paragraph 5, “Appropriations”, of this agreement.

   C. **Liability.** Except as otherwise expressly allowed or provided under this agreement, the Agency’s sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor’s receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party’s liability for pre-termination defaults under or breaches of this agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. **THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY’S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR’S DEFAULT/BREACH OF THIS AGREEMENT.**

   D. **Termination Management.** If this agreement is terminated pursuant to its provisions, or if the parties mutually agree to discontinue their contractual relationship, or upon expiration of the term of the AGREEMENT, immediately upon expiration or receipt by either the Agency or the Contractor of notice of termination of this agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this agreement without written approval of the Agency, except as provided in part (4) of this paragraph, below; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this agreement; and 3) take such action as the Agency shall direct for the protection,
preservation, retention or transfer of all property titled to the Agency and records generated under this agreement, and 4) if providing health services or client support as part of the scope of work of this agreement, continue to provide essential services and supports to ensure the health and safety of individual clients as directed by the Agency during the period of termination management. This requirement is not avoided by an inadvertent expiration of term for the agreement. In this event the Agency may temporarily extend the term, enter into a new short-term agreement or otherwise enter into an agreement, consistent with the New Mexico Procurement Code until all transition of services are completed. As of the date of termination of this agreement, the Contractor shall furnish to the Agency: (a) a complete detailed inventory of nonexpendable Agency property or equipment provided to or purchased by the Contractor with agreement funds as defined in Article 31 (Property) of this agreement, and (b) a final closing of the financial records and books of accounts which were required to be kept by the Contractor under the provisions of this agreement regarding financial records. Any non-expendable personal property or equipment provided to or purchased by the Contractor with agreement funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

4. **Appropriations.**

The terms of this agreement are contingent upon sufficient funds appropriated, allocated, and authorized by the Legislature of the State of New Mexico and/or by the federal government for the performance of this agreement. If sufficient appropriations, allocations and authorizations are not made by the Legislature of the State of New Mexico and/or if the federal government makes insufficient allocations, necessitating a decrease in the amount of agreement funds available for expenditure by the Agency, this agreement may be terminated or amended to a lower amount of funds upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final and binding on the Contractor. If the Agency proposes an amendment to the agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

5. **Status of Contractor.**

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the Agency. The Contractor and its agents and employees shall not be deemed employees for any purpose within the meaning or application of any federal or state unemployment or insurance laws or workers compensation laws or otherwise. Contractor, its agents and employees shall not be entitled to any of the benefits afforded employees of the Agency including but not limited to accruing leave, retirement, insurance, bonding, use of state property or state vehicles, or any other consideration not specified in this agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes as self-employment or business income and are reportable for self-employment tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.
6. **Assignment.**
   The Contractor shall not assign or transfer any interest in this agreement or assign any claims for money due or to become due under this agreement without the prior written approval of the Agency.

7. **Subcontracting.**
   The Contractor shall not subcontract any portion of the services to be performed under this agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

8. **Release.**
   Final payment of the amounts due under this agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this agreement.

9. **Confidentiality.**
   Any confidential information and records provided to or developed by the Contractor in the performance of this agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency, or the express written authorization of the client when the record is a client record.

10. **Product of Service -- Copyright.**

Nothing developed or produced, in whole or in part, by the Contractor under this agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

    B. Client information developed under this agreement may not be used by the Contractor or be transferred to a third party in any form, including aggregate data, without the express written permission of the Agency, except to fulfill the provisions of the Scope of Work under this agreement.

11. **Conflict of Interest; Governmental Conduct Act.**
    A. The Contractor represents and warrants that it presently has no interest and, during the term of this agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the agreement.

    B. 3. **Business Associate Obligations for Notification, Risk Assessment, and Mitigation**

During the term of this Agreement and Related Agreement, the Business Associate shall be required to perform the following pursuant to the Breach Notification Rule regarding Breach Notification, Risk Assessment and Mitigation:

**Notification**

a. Business Associate agrees to report to the Department Contract Manager or HIPAA Privacy and Security Officer any use or disclosure of PHI not provided for by this Agreement, the Related Agreement and HIPAA Standards, including breaches of unsecured PHI as required by 45 C.F.R. § 164.410, as soon as it (or any employee or agent) becomes aware of the Breach, and in no case later than three (3) business days after it (or any employee or agent) becomes aware of the Breach, except when a government official determines that a notification would impede a criminal investigation or cause damage to national security.

b. Business Associate shall provide the Department with the names of the individuals whose Unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by the Department, provide information necessary for the Department to investigate promptly the impermissible use or disclosure. Business Associate shall continue to provide to the Department information concerning the Breach as it becomes available to it and shall also provide such assistance and further information as is reasonably requested by the Department.

**Risk Assessment**

c. When Business Associate determines whether an impermissible acquisition, use or disclosure of PHI by an employee or agent poses a low probability of the PHI being compromised, it shall document its assessment of risk in accordance with 45 C.F.R. § 164.402 (in definition of “Breach”, ¶ 2) based on at least the following factors: (i) the nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification; (ii) the unauthorized person who used the protected health information or to whom the disclosure was made; (iii) whether the protected health information was actually acquired or viewed; and (iv) the extent to which the risk to the protected health information has been mitigated. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons documenting the determination of risk of the PHI being compromised. When requested by the Department, Business Associate shall make its risk assessments available to the Department.

d. If the Department determines that an impermissible acquisition, access, use or disclosure of PHI, for which one of Business Associate’s employees or agents was responsible, constitutes a Breach, and if requested by the Department, Business Associate shall provide notice to the individuals whose PHI was the subject of the Breach. When requested to provide notice, Business Associate shall consult with the Department about the timeliness, content and method of notice, and shall receive the Department’s approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate. The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to the Department.

**Mitigation**

12
e. In addition to the above duties in this section, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI, by Business Associate in violation of the requirements of this Agreement, the Related Agreement or the HIPAA Standards. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by the Department, Business Associate shall make its mitigation and corrective action plans available to the Department.

f. The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of the Breach, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate and the Department are doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

Notification to Clients

g. Business Associates shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of a State or jurisdiction, Business Associate shall, if requested by the Department, notify prominent media outlets serving such location(s), following the requirements set forth in 45 CFR §164.406.

4. Obligations of the Department to Inform Business Associate of Privacy Practices and Restrictions

a. The Department shall notify Business Associate of any limitation(s) in the Department’s Notice of Privacy Practices, implemented in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI.

b. The Department shall notify Business Associate of any changes in, or revocation of, permission by an Individual to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.

c. The Department shall notify Business Associate of any restriction in the use or disclosure of PHI that the Department has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

d. The Department shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by the Department.

5. Term and Termination

a. Term. This Agreement shall be effective concurrently with the effective date of Contract between Business Associate and the Department (the Related Agreement). This Agreement shall also terminate concurrently with the Related Agreement, except that obligations of Business Associate under this Agreement related to final disposition of PHI in this Section 5 shall survive until resolved as set forth immediately below.
b. **Disposition of PHI upon Termination.** Upon termination of this Agreement for any reason, Business Associate shall return or destroy all PHI in its possession and shall retain no copies of the PHI. In the event that Business Associate determines that returning or destroying the PHI is not feasible, Business Associate shall provide to the Department notification of the conditions that make return or destruction of PHI not feasible. Upon mutual agreement of the Parties that return, or destruction of the PHI is infeasible, Business Associate shall agree, and require that its agents, affiliates, subsidiaries and subcontractors agree, to the extension of all protections, limitations and restrictions required of Business Associate hereunder, for so long as the Business Associate maintains the PHI.

c. If Business Associate breaches any material term of this Agreement, the Department may either:

i. provide an opportunity for Business Associate to cure the Breach and the Department may terminate this Contract without liability or penalty in accordance with Termination Article of the Related Agreement if Business Associate does not cure the breach within the time specified by the Department; or,

ii. immediately terminate this Contract without liability or penalty if the Department determines that cure is not reasonably possible; or,

iii. if neither termination nor cure are feasible, the Department shall report the breach to the Secretary.

The Department has the right to seek to cure any breach by Business Associate and this right, regardless of whether the Department cures such breach, does not lessen any right or remedy available to the Department at law, in equity, or under this Contract, nor does it lessen Business Associate’s responsibility for such breach or its duty to cure such breach.

6. **Penalties and Training.** Business Associate understands and acknowledges that violations of this Agreement may result in notification by the Department to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by the Department, Business Associate shall participate in training regarding use, confidentiality, and security of PHI.

7. **Miscellaneous**

a. **Interpretation.** Any ambiguity in this Agreement, or any inconsistency between the provisions of this Agreement and the Related Agreement, shall be resolved to permit the Department to comply with the HIPAA Standards.

b. **Business Associate’s Compliance with HIPAA.** The Department makes no warranty or representation that compliance by Business Associate with this Agreement or the HIPAA Standards will be adequate or satisfactory for Business Associate’s own purposes or that any information in Business Associate’s possession or control, or transmitted or received by Business Associate, is or will be secure from unauthorized use or disclosure. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.
c. **Change in Law.** In the event there are subsequent changes or clarifications of statutes, regulations or rules relating to this Agreement, the Department shall notify Business Associate of any actions it reasonably deems necessary to comply with such changes, and Business Associate shall promptly take such actions. In the event there is a change in federal or state laws, rules or regulations, or in the interpretation of any such laws, rules, regulations or general instructions, which may render any of the material terms of this Agreement unlawful or unenforceable, or which materially affects any financial arrangement contained in this Agreement, the parties shall attempt amendment of this Agreement to accommodate such changes or interpretations. If the parties are unable to agree, or if amendment is not possible, the parties may terminate the Agreement pursuant to its termination provisions.

d. **No Third-Party Beneficiaries.** Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Department, Business Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

e. **Assistance in Litigation or Administrative Proceedings.** Business Associate shall make itself and any agents, affiliates, subsidiaries, subcontractors or workforce members assisting Business Associate in the fulfillment of its obligations under this Agreement and the Related Agreement available to the Department, at no cost to the Department, to testify as witnesses or otherwise in the event that litigation or an administrative proceeding is commenced against the Department or its employees based upon claimed violation of the HIPAA standards or other laws relating to security and privacy, where such claimed violation is alleged to arise from Business Associate’s performance under this Agreement or the Related Agreement, except where Business Associate or its agents, affiliates, subsidiaries, subcontractors or employees are named adverse parties.

f. **Additional Obligations.** Department and Business Associate agree that to the extent not incorporated or referenced in any Business Associate Agreement between them, other requirements applicable to either or both that are required by the HIPAA Standards, those requirements are incorporated herein by reference.
IN WITNESS THEREOF, the parties hereto separately acknowledge this Business Associate Agreement in addition to their execution of the Related Agreement.
